

The past few months have given all of us a time for extra prayer and reflection!

As 2020 is a

Presidential Election Year,  
let us beg Jesus Crucified,  
and His most holy Mother Mary,  
to guide us to know how to fulfill  
**our 4th Commandment duty  
and Moral Obligation, of Voting.**

As Americans, we must, through our prayers and sacrifices,  
do all in our power, to help bring this country back to God!

Let Our Lady,  
Patroness  
of  
the  
United States  
of America,  
guide your vote  
to bring  
America  
back to  
Her Son  
and  
Christian Principles!

## *Catholics have a Moral Obligation of Voting*

"I wonder how many of our American citizens, before casting their ballot in an election, say a prayer that God will guide them to make a wise choice, and that truly good men will be elected. If our citizens did say such a prayer, I feel sure we should have a far greater number of good officials to guide our nation. Nowadays, not only the welfare of America, but the welfare of the world demands that our government be administered by men of integrity, prudence, initiative, and especially unselfish devotion to their fellow men. And so, our minds and hearts should often be raised to God in humble petition that He will help us to choose for posts of public authority good honest men who will be able to restore peace and prosperity to our country and to the world."
